

Nomination Form for Science and Technology Awards

This form must be submitted with the Nomination Package to assure all required documentation is included. Your assistance in this will help your nominee to receive full consideration by the Science & Technology Awards Committee for the specified award.

Nominee Name _____

Award Being Nominated For _____

Nominator's Name _____

Checklist of Required Documentation Submitted with this form (check all you submitted):

- _____ Signed letter nominating the individual for the specific award, to include nominee's and nominator's current addresses, e-mail and telephone number AND an evaluation and appraisal of the nominee's invention, development, or innovation that has made a significant change or contribution to the nature of the rubber industry. Note that the letter must identify the specific conditions of the nominee that qualify him or her for the award based upon stated criteria (see sample letter).
- _____ Signed letter from another individual seconding nominator's nomination.
- _____ Biographical sketch of the nominee.
- _____ List of publications produced by the nominee.
- _____ List of patents granted to the nominee or their assignee.
- _____ List of all previous awards and honors of the nominee.
- _____ A maximum of five (5) reprints or published technical papers that deal with the specific accomplishments of the nominee.

Submit this form plus two copies (one printed and one electronic) of the Nomination Package to the Division's Science and Technology Awards Committee. All required documentation must be received no later than July 15 to be considered for presentation at the next Rubber Division spring meeting Awards Banquet.

Mail one printed copy to:

Science & Technology Awards Committee Chair
c/o Ed Miller, Executive Director
Rubber Division, ACS
P.O. Box 499
Akron, OH 44309-0499 USA

Email one electronic copy to: [Ed Miller, Executive Director](#)

Alternatively, you can mail a CD-ROM of your electronic copy with the printed copy to the address above.
